The information provided is not verified and by using this information, you are using it at your own risk. This info is from a crowdsourced compilation of data and because the data relies on people submitting information, there is bound to be some errors. [Report a problem with this information](#)

For privacy reasons and out of concern for families, we are only reporting on lives lost if families give us permission or we have confirmation via the media.

This list is maintained by individual citizens and is not made by the American Red Cross or any county, state, or federal agency.

This list is not claiming to state how many missing people there currently are. Contact local authorities.
